“Wisconsin Right to Life is thankful the Wisconsin Legislature understands what is at stake if Planned Parenthood is successful in overturning Wisconsin’s protective, pro-life laws,” shared Heather Weininger, Executive Director of Wisconsin Right to Life.

“Back on January 18 of this year, I sent a letter to Attorney General Kaul sharing my concerns about his ability to represent the State of Wisconsin against Planned Parenthood, and I have yet to receive a response for my request to meet with him, or to my concerns about his representation.

“Attorney General Kaul has far too many close ties to Planned Parenthood to represent the State of Wisconsin in a manner that will put the interests of the State ahead of Planned Parenthood.

“Thousands of unborn children’s lives are at stake if intervention is not sought. We are thankful that the Wisconsin Legislature sees the importance of having legal representation which will truly serve the best interest of all Wisconsinites, born and unborn.”

*Wisconsin Right to Life is Wisconsin’s oldest and largest pro-life organization, founded in September, 1968, to protect the most vulnerable among us.*
