[Madison,WI] — In celebration of Black History Month, the Republican Party of Wisconsin released the following statement from Gerard Randall, Chair of the Republican Party of Wisconsin African American Council:

“This February, we honor and celebrate the contributions African Americans have made to our great state. We know Wisconsin works best when hard-working families are afforded the opportunity to fulfill their American dream. Republicans continue to fight for policies that improve lives, expand opportunities for all Wisconsinites, and promote greater inclusion in our economy. We proudly celebrate those in the African-American community who continue to play a role in shaping Wisconsin’s bright future.”
