[Madison, WI] — In honor of Martin Luther King, Jr. Day, the Republican Party of Wisconsin released the following statement from Gerard Randall, Chair of the Republican Party of Wisconsin African-American Caucus:

“Today we remember Dr. Martin Luther King’s fight for liberty and justice for all citizens across our nation. Dr. King advocated for a world where the rights of all Americans are protected, all communities are prosperous and our opportunities are defined not by the color of our skin, but by the content of our character. Dr. King was an agent of change who stood up for a more equal society – and a chance for everyone to realize the American Dream. Today, we stand with citizens throughout Wisconsin who are proud to take this day to honor Dr. King’s legacy.”
