[Madison, WI] - In response to the Democrats' partisan impeachment charade, the Republican Party of Wisconsin issued the following statement from Executive Director Mark Jefferson:

"House Democrats just chose to launch a sham impeachment that prioritizes partisanship over the American people. Democrats have proven that their only agenda is to tear down President Trump and advance their partisan games.

"Democrats like Rep. Ron Kind have tried to conceal their stance on the issue when they knew how they would vote weeks, if not months. Today's vote displays the sad state of politics where Rep. Ron Kind and other Democrats want to see President Trump fail at the expense of the American people."
