MILWAUKEE – The Milwaukee Bucks announced Monday that a new “Bucks Vote” T-shirt will go on sale today, with proceeds benefiting the ACLU of Wisconsin and the League of Women Voters of Milwaukee County. The sale begins on National Voter Registration Day, and the Bucks are encouraging Wisconsinites to register to vote as part of their “[Bucks vote](#)” campaign, an effort that the ACLU of Wisconsin is collaborating on.

“We’re incredibly grateful to the Bucks for their continued support and partnering with us as they ramp up their efforts to help get out the vote in 2020,” said Maxine Webb, development director of the ACLU of Wisconsin. “As the November elections near, it means so much to have an organization that is such an integral part of Milwaukee and Wisconsin fighting to make sure that all of us can exercise our constitutional right to vote.”

The T-shirts are available for purchase online at shop.bucks.com, and will also be sold at the Bucks Pro Shop inside Fiserv Forum starting Wednesday. To learn more about the Bucks vote campaign, and find more information on voter registration, where to vote, how to vote absentee, and how to serve as a poll worker on Election Day, go to www.bucks.com/vote.

Fiserv Forum, the Bucks home arena, will serve as a location for early voting and as a polling place on Election Day.
