Stephanie Bloomingdale, President of the Wisconsin AFL-CIO, released the following statement as Wisconsin is called for Biden:

“Wisconsin workers have delivered the state for Joe Biden and Kamala Harris. Voters turned out in record numbers in Wisconsin and across our country to make our voices heard. When all the votes are counted across our country, we are confident that the people will have elected Joe Biden as our next President.

Joe Biden is the people’s choice and the will of the people must stand. Nationally, Joe Biden will receive the most votes of any presidential candidate ever. We know Joe Biden and Kamala Harris understand that it is the labor movement that creates, sustains, and strengthens our great American middle class.

We will count every vote, deliver our democracy, and swear in a government of, by, and for the people. THIS is what Democracy looks like.”
