HUDSON, WI—Americans for Prosperity Action (AFP Action) tonight released a statement congratulating Rep. Tom Tiffany on his re-election to Wisconsin's 7th Congressional District. The grassroots organization also supported Tiffany throughout his special election primary and general elections this spring, leveraging a variety of tactics to reach voters in the district.

AFP Action Senior Advisor Eric Bott issued the following statement:

“We’re excited to see Rep. Tom Tiffany earn re-election and his first full term in Washington. Our activists were proud to support Rep. Tiffany for his principled record of ensuring Wisconsinites keep more of what they earn, helping everyone find meaningful work, and protecting our civil liberties. Our activists are yet again excited to see their hard work materialize in Tom’s principled record heading to Washington.”
