MADISON, Wis. – The following is a statement from Wisconsin Attorney General Josh Kaul regarding the ongoing Safer at Home litigation.

“This case is the latest chapter in legislative Republicans’ ongoing effort to grasp at power, without regard to the consequences,” said AG Kaul. “The Safer at Home policy and the steps that Wisconsinites have taken in response to the coronavirus outbreak have saved lives. The Legislature’s attempt to undermine critical public health measures ignores the law and endangers our safety.”
