America First Action PAC released a new ad in Wisconsin today that will air in Wausau, La Crosse and Green Bay, and Milwaukee as part of our \$5.6 million summer spend in the state. The ad focuses on Joe Biden’s promise to raise taxes and overturn the Tax Cuts and Jobs Act; a plan that would decimate the potential for economic gains and make it impossible for Wisconsin families and workers to recover in the wake of the coronavirus.

Joe Biden’s federal tax package is double the size of what Hillary Clinton proposed. His tax plan would raise taxes on [80 percent of Americans](#), shrink the economy by an estimated 1.5 percent, reduce hourly wages by roughly 1 percent, and kill 585,000 jobs. Not to mention, Biden’s plan to increase the corporate tax rate would [directly raise the cost of utility bills in all 50 states](#).

Wisconsin is strong, but Joe Biden’s tax plan would leave Wisconsinites weak and unable to recover from the unprecedented pandemic that shut down their economy.
