Today, American Bridge President Bradley Beychok issued the following statement applauding the selection of Senator Kamala Harris for the nomination of Vice President.

“Game on,” said American Bridge President Bradley Beychok. “Senator Kamala Harris has dedicated her life to making this country better for the American people. She is an excellent choice and there’s no one who will better prosecute the case against four more years for Donald Trump. We are all in on this history-making ticket, and we will continue to deploy every resource at our disposal to ensure Joe Biden and Kamala Harris are elected in November.”
