*“Donald Trump is telling us in plain language that he will tear our country apart and shred America’s values, norms, and institutions in order to win re-election,” **said Kyle Morse, an American Bridge 21st Century spokesperson.** “The suggestion of sending law enforcement to polling locations — let alone actually following through — in order to suppress the vote through intimidation is an authoritarian threat that has no place in a democracy and underscores the stakes of this election. We need to heed the call of Michelle Obama and be prepared to put in the work and do what it takes to cast our votes, win this election, and end Trump’s dystopian presidency.”*
