Mequon, WI– Following Wisconsin's Spring Election, 42 American Majority Trained New Leaders were elected. Congratulations to all of the winners on well run campaigns. American Majority Trained New Leaders had an excellent win ratio this year as 62 ran for office and 42 of them won their spring elections – 67.7% win rate.

The Special Highlight was Josh Schoemann winning the Washington County Executive race with a commanding 62% win. American Majority trained Josh several years ago. Washington County Executive-Elect Schoemann said, "American Majority gave me the tools and the confidence to run an effective and victorious campaign."

American Majority works to build a farm team of New Leaders at all levels of government. Our trained New Leaders include 1 County Executive, 2 Judges, 23 County Board Supervisors, 8 School Board Members, and 8 Municipal Leaders. The farm team builds from the local and state levels of government. These leaders are also the folks who will hopefully take the next step to run for higher office down the road, creating a pipeline of conservative public service.

Nate Nelson, the Wisconsin Executive Director of American Majority, said "Congratulations to all the winners! Since opening our Wisconsin office in October 2010, we have trained 194 New Leaders who've gone on to victory across Wisconsin. American Majority is helping to ensure that solid conservative candidates have the tools to become successful in their campaigns and we are thrilled to see these results in Wisconsin."
