I am honored and excited to receive an endorsement from Our Wisconsin Revolution . Our Revolution organizations were formed across the country after Bernie's inspirational 2016 presidential campaign. It's up to us to continue the fight for a better America that is inclusive for everyone and works for all. I'm ready to work with Our Wisconsin Revolution to push for our many common goals and ultimately enact them into law when I am elected to represent Wisconsin's 6th district in Congress.

The endorsement comes at a crucial time in the primary race to be the Democratic nominee to unseat Rep. Glenn Grothman. With more people voting by mail in this election than ever before, the majority of votes are being cast at home right now. This endorsement provides legitimacy and continues the momentum this campaign has built over the last few months.

Our Wisconsin Revolution adds:

"Congratulations to Michael Beardsley on winning the endorsement of Our Wisconsin Revolution! We look forward to fighting with you to promote progressive policy in the state of Wisconsin. Now let's get the hard work done and get Michael elected to congress."
