On Wednesday, October 7, *Biden for President Wisconsin* will continue its virtual “Joe’s in Your Corner” tour with an event highlighting Joe Biden’s [commitment](#) to protect health care coverage for people with pre-existing conditions, lower the costs of care, and expand coverage to all Americans.

At the event, Racine and Kenosha leaders including Racine State Representative Greta Neubauer, Racine City Councilmember John Tate II, and Kenosha Community Advocate Atifa Robinson will highlight the importance of Biden’s plans to protect care for the 2.4 million Wisconsinites with pre-existing conditions, who stand to lose critical protections if the Supreme Court overturns the Affordable Care Act, and address racial disparities in health outcomes.
