From Danielle Melfi, Biden for President Wisconsin State Director:

“As we have said, the recount only served to reaffirm Joe Biden’s victory in Wisconsin. In the midst of the worst pandemic in a century, election officials worked tirelessly through Thanksgiving weekend to ensure every vote was recounted quickly and transparently. Throughout the process, Dane and Milwaukee County Boards of Canvassers resoundingly rejected — often on a bipartisan basis — the Trump campaign’s baseless attempts to disenfranchise hundreds of thousands of Wisconsinites who simply followed the law when they voted. And despite repeated incendiary accusations, there was no evidence of fraud whatsoever. The facts are clear: after ballots were counted and counted again, Joe Biden decisively won Wisconsin by more than 20,000 votes.”
