[APPLETON, WI...] Rachael Cabral Guevara today issued a statement condemning racism, and she pushed back against an anonymous threat and racist letter Cabral-Guevara received in the mail yesterday.

“I received spiteful hate mail yesterday. First, let me say to this coward who failed to include their name, I will not be intimidated by threats and racist attacks. I will continue to fight for our shared values in the Fox Valley. This coward’s desire to sow hatred and fear will fail as I’m confident that the good people of the 55th Assembly District will stand tall and strong against racism and division.

“As a mom with kids at home and with the level of violence taking place throughout the country, I cannot simply disregard this threat. I’ve shared the letter with the proper authorities, and I’ve discussed the contents with my kids who know that we are all stronger when we stand together.”

The contents of the letter can be viewed on Facebook at Rachael Cabral-Guevara for Wisconsin 55th Assembly.
