(Hudson, WI) – Jason Church, candidate for Congress in Wisconsin’s Seventh Congressional District, voiced his support for the National March for Life rally that is happening today in Washington, D.C.:

“I stand with all those who are walking today in the March for Life in Washington, D.C. When I served in Afghanistan, I saw human life being taken for granted. That experience reaffirmed my commitment to promoting a culture of life and protecting the unborn. I would take my pro-life values to Congress to defund Planned Parenthood and fight the rise of infanticide on behalf of Northern Wisconsin.”

Jason Church was endorsed earlier this week by the Wisconsin Right to Life PAC.
