(Hudson, WI) – Jason Church, candidate for Congress in Wisconsin’s Seventh Congressional District, released the following statement in support of the school choice rally that is occurring today at the state capitol in Madison with Vice President Mike Pence:

“All families should have the freedom to choose the school that is best for their students,” said Jason Church. “I support all who are attending the school choice rally today in Madison. We need to protect school voucher programs so that we can ensure every student receives the best education possible.”
