(Hudson, WI) – Jason Church, candidate for Congress in Wisconsin’s 7th Congressional District, released his fourth TV ad today.

In the ad, Mr. Church calls out Democrats for their obsession with impeaching President Trump and the political circus it has caused.

“Democrats in Congress have been obsessed with impeaching President Trump from the day he was elected,” said Jason Church. “Wisconsin’s 7th Congressional District needs a fighter in Washington, D.C. who will stand with the President against the left’s political games and work on the issues that really matter to the American people.”

Ad transcript: “It only took one day. On President Trump’s very first day in office liberals demanded impeachment. Now, it’s a circus trying to undo an election. They don’t just disrespect our President, they disrespect us. We cannot let them win. When we elect career politicians, they let us down. They fold. I’m Jason Church and I approve this message because I want back in the fight.”
