In the ad, Mr. Church talks about the death of Iranian Gen Qassem Soleimani and voices his support of President Trump’s strong leadership. He discusses his shared desire with the President to defend America against its enemies, and how he will be an ally of Trump in Washington.

“I supported President Trump from day one, and his decisive leadership, particularly with regard to Iran, shows why I will support him in Congress,” said Jason Church. “The President and I are both outsiders; we are willing to make bold decisions to fight for what’s right. I’m ready to stand with the President to work for the people of Northern Wisconsin.”
