(Hudson, WI) – Wisconsin Right to Life PAC today endorsed Jason Church to represent Wisconsin’s Seventh Congressional District. Wisconsin Right to Life PAC supports candidates who will defend the right to life and promote a culture that values the sanctity of life.

“Protecting the unborn is one of the most important things I could do as a member of Congress,” said Jason Church. “As a combat veteran, I know what it means to value life. I will always stand up to protect the sanctity of life, ensuring we defund Planned Parenthood and fighting against the rise of infanticide.”
