Each of Monona's 10 Wards will vote the Community Center Main Hall. The typical polling location, St. Stephen's Lutheran Church, will be CLOSED.

The City of Monona is encouraging all voters to be aware of the following for Election Day:

- Masks or facial coverings are required.
- Social distancing will be enforced. Tape will be marked on the floor in 6 foot increments designating where the next voter can stand.
- There will be a limited number of voters inside the polling place. Be prepared to wait.
- We are encouraging ALL voters to bring their own blue or black ballpoint pen. We will have pens available for single voter use.
- The Election Inspectors will be sanitizing voting equipment frequently.
- Minimize discussion, especially of a political nature.
- Have your Photo ID out and patiently hold it for the Election Inspector. The Election Inspector will ask you to state your name and address. Please remember to be patient as they find your name in the electronic poll book.
- Hand sanitizer will be available for voters and Election Inspectors.
- We will be eliminating "I Voted" Stickers for this election, per direction of the Wisconsin Elections Commission.

Please be patient and kind to poll workers on Election Day. We are all trying our best to navigate through this difficult time.
