This week, the DNC War Room released a new television ad, “Had Enough?,” that contrasts Trump’s claim that his administration has done a “great job” responding to the pandemic with the reality of Trump and Pence’s failed response, which has led to approximately 1,400 Wisconsinites’ deaths and hundreds of thousands of Wisconsin job losses.

The ad will air on cable starting on Thursday in the Green Bay-Appleton media market as part of a six-figure buy.

“Every day, Wisconsinites are paying the price for Donald Trump and Mike Pence’s incompetence and total failure to respond to the coronavirus,” said Democratic National Committee Chair Tom Perez. “Wisconsinites have lost their jobs, their lives, their loved ones, and any sense of normalcy. That’s not a ‘great job.’ It’s a devastating betrayal of Trump and Pence’s responsibility to keep people safe. Wisconsinites have had enough, and they’re putting this failed presidency to an end.”
