**(KENOSHA, WI)** — Democratic Party of Wisconsin Chair Ben Wikler released the following statement in response to John Pence's visit to Kenosha:

“Whether it’s Donald Trump, Mike Pence, or one of their staffers or relatives coming to our state, nothing they will say changes the fact that Wisconsinites aren’t going to vote for four more years of broken promises. From trying to take away protections for people with pre-existing conditions, refusing to lower prescription drug costs, or crushing our farming industry, Trump has failed to better the lives of everyday Wisconsinites and we will hold him accountable in November. “
