“I endorse Derrick Van Orden for Representative of Wisconsin’s 3rd Congressional District. Derrick is committed to serving our country. I am very grateful for his dedicated military service and sacrifice as a Navy Seal. He will bring that same determination to service and love of country to the role of representative. He has proven he will do what it takes to unseat Ron Kind in the upcoming election. It is important we work to elect Republicans up and down the ballot and most importantly, to re-elect President Donald J. Trump and give him allies in Congress. We are in the fight for the future of our country.”

Jessi Ebben
