*Conservative from Eau Claire to bring new perspective, smart decision-making to challenge Democrat Ron Kind in Wisconsin's Third Congressional District*

**EAU CLAIRE, WIS.** – Republican Jessi Ebben (EH'bun) a public relations professional and Eau Claire resident, announced her bid to represent Wisconsin's Third Congressional District in Congress.

**“Wisconsin families deserve a representative who will prioritize the fight to protect their freedoms and values,”** said Ebben.

**“As a conservative, I will defend our constitutional rights, listen and represent the people of the district, support President Trump's pro-America agenda, and work to get things done for Wisconsin.”**

Ebben is looking to challenge 12-term Democrat Ron Kind, who hasn't been forced to run a competitive race in years.

President Trump carried Wisconsin's Third Congressional District in 2016 and according to [Cook Political Report](#) is among the competitive races in 2020.

Ebben has been visiting communities in the district since fall 2019 and will continue traveling throughout central and western Wisconsin to meet with and listen to constituents to learn about the issues and initiatives that are most important to them.
