I was impressed with Jessi's inquisitiveness, intellect, and infectious enthusiasm the first time I met her. In the many times I have talked with her since, my first impression has been confirmed. With family roots scattered around the 3rd District, and her public relations work with small city governments and in the healthcare industry, she is the right candidate at the right time to unseat the 24-year incumbent. I have every confidence she will actively represent all her constituents when she gets to Washington, D.C."

Cedric Schnitzler

Member of the Monroe County Board of Supervisors

Cedric Schnitzler is a long-time member of the Monroe County Board of Supervisors and resident of Sparta, Wisconsin. He is a farmer, caregiver, and former co-owner of a small recycling business. Currently, he serves a county representative to the Mississippi River Regional Planning Commission and is well-known for his long involvement with the Monroe County School Safety Patrol program. Cedric is well aware of the need for an energetic and responsive representative in Congress and he is excited to join the many local community leaders that have already endorsed Jessi Ebben for Congress.

"Cedric Schnitzler's endorsement is an honor. He is a dedicated elected official who truly cares about his community. With my experience in the local government setting, I know how hard Cedric works to ensure he hears from and represents the citizens of Monroe County. His work with the safety patrol program and coordination of the annual Washington, D.C. trip inspires many children to get involved, stay involved and serve their community. I'm honored by his support as I work to serve the people throughout Wisconsin's 3rd District and bring necessary changes to Washington, D.C."

Jessi Ebben

Candidate for U.S. Congress, WI-03
