"I love to see young conservative women joining in the fight for the future of our country, and in Jessi Ebben, I see a passionate and hard-working leader who will be an influential member of Congress and the House Freedom Caucus. As the only woman currently in the House Freedom Caucus, I know the importance of electing more leaders like Jessi to preserve our constitutional liberties and counteract the loud voices of women like AOC and the Squad who are trying to scrap the foundation of our country and replace it with their socialist agenda. That won't fly if Jessi has a seat at the table. Jessi is grounded in her conservative values and her faith, not motivated by prestige or power. I enthusiastically endorse her for Congress because her genuine, fresh perspectives will help shake up Washington, D.C. and grow the thriving conservative movement we must hand down to every generation."

She served as Senate President Pro-Tempore and Chairman of the Senate Appropriations Committee. She was honored by numerous organizations during her time at the Arizona Legislature, including, "Champion of the Taxpayer", "Guardian of Small Business" and "Senator of the Year."

Congresswoman Lesko received her Bachelor's degree from the University of Wisconsin. She lives in Peoria, AZ with her husband, Joe, and they have three children.

“It is an incredible honor to be endorsed by another strong conservative woman in the U.S. House of Representatives. Rep. Lesko is a hard-working representative for the people of Arizona’s 8th District who tirelessly defends the freedoms promised by our Constitution. As a member of the House Freedom Caucus and the House Judiciary Committee, she has played a key role in ensuring the success of President Donald J. Trump and his America First Agenda. I look forward to working with her to keep our country on the path of security, liberty and prosperity.”
