APPLETON, Wis. – The Fox Cities Chamber of Commerce has announced the addition of Danielle León from [Red Shoes Inc.](#) to its Chamber Ambassador group.

The Fox Cities Chamber Ambassadors serve as the primary volunteer arm of the organization. Ambassadors are individuals seen as leaders and emerging leaders within the community who have experience with and exposure to the many facets of the Fox Cities Chamber. Ambassadors are an extension of the Chamber brand. They are a passionate, engaged group of individuals who can advocate for the Chamber and represent its members.

León is an Account Executive at Red Shoes Inc. in Appleton. In addition to her new volunteer role with the Chamber, she also volunteers with the Center for Grieving Children through the local Boys and Girls Club.

As a Fox Cities Chamber Ambassador, León plans to utilize her connections to get people further involved in the Chamber organization. She looks forward to continuing to be an advocate for businesses and causes in the community while helping to recognize organizations for their impact in the Fox Cities.

“We are very excited about the addition of Danielle León to our Ambassador group,” shared Tonya Boelter, Senior Director of Community Engagement, at the Fox Cities Chamber. “The unique experiences and connections brought to the Chamber through our Ambassadors are invaluable in servicing our member community.”
