(Fond du Lac, WI) – Today, Congressman Grothman launches his second coalition, Pro-Life Voters for Glenn. This coalition highlights individuals within our communities who are committed to protecting those who are unable to protect themselves.

Grothman’s advocacy for life at all stages—from the rights of the unborn to the elderly and disabled, has resulted in endorsements from Pro-Life Wisconsin, Wisconsin Right to Life, Susan B. Anthony List, Wisconsin Family Action, and National Right to Life.

“I am honored to have the support from individuals who are devoted to protecting the lives of everyone—at all stages of life. We have a moral and civic responsibility to protect those who are voiceless and defenseless, especially unborn children. I have and will continue to support legislation that protects the sanctity of all life,” Grothman said.

“Glenn Grothman is a tireless champion for the unborn. He deeply understands the worth and dignity of every human person and persists valiantly in ending the evil of abortion through his legislative abilities,” Tobey Neuberger of Ozaukee County said.

Pro-Life Voters for Glenn includes women and men throughout the 11 counties within the 6th Congressional District who are publicly endorsing him. The announcement of this coalition follows Congressman Grothman’s announcement of the release of his first coalition, Women for Glenn, last week.
