(Fond du Lac, WI) – Today, Congressman Glenn Grothman introduces the Healthcare Professionals for Glenn coalition. This coalition highlights our courageous healthcare professionals, in all sectors of the industry, that have pledged their support for him and his work on their behalf in Congress.

“I am honored to have received the support from so many of the healthcare professionals within our communities. While facing a global pandemic, our healthcare professionals have remained some of the hardest working and dependable individuals that we can always count on,” Grothman said. I have and will continue to ensure our healthcare workers’ well-being are safeguarded while providing care to the most vulnerable during these unprecedented times. They are much needed and much appreciated,” Grothman added.

Healthcare Professionals for Glenn includes individuals from throughout all 11 counties within the 6th Congressional District. You can find more information about the coalition [here](#).
