Independent Business Association of Wisconsin (IBAW) presents "Smart Manufacturing in
Wisconsin" with Dr. Jay Lee Milwaukee, Wis. – December 23, 2020 – The Independent Business Association of Wisconsin (IBAW) hosts Dr. Jay Lee, Vice Chairman, Foxconn Technology Group, who will present "Update & Smart Manufacturing in Wisconsin." The meeting will be held on January 15, 2021, 7:00 a.m. – 9:00 a.m. Event will be held at the Wisconsin Club, 900 W Wisconsin Avenue, Milwaukee, Wis. A plated breakfast will be served.

Steve Kohlmann, Executive Director of IBAW, said, "This month we'll get an exclusive update on the FoxConn project as well as a presentation on how the Foxconn Technology Group is using 5G networks, high performance computing, and industrial artificial intelligence throughout its manufacturing operation in Wisconsin. Dr. Jay Lee, vice chairman, Foxconn Technology Group, oversees the Wisconn Valley Science and Technology Park in Mount Pleasant, Wis."

IBAW members will meet for an in-person meeting at the Wisconsin Club. Note that due to
Covid-19 situation, advance registration is required. Seating will be limited at this event. Walk-ins cannot be accommodated.

Since 1973, the Independent Business Association of Wisconsin (IBAW) was formed for small business owners to engage in conversation relating to legislation impacting the bottom-line costs of businesses throughout Wisconsin. IBAW is a venue for high level CEOs, CFOs, COOs, other upper management and entrepreneurs to network, exchange business ideas, and become educated and involved on issues which impact their business. IBAW is time well spent!
