(Hudson, WI) – Jason Church, candidate for Congress in Wisconsin's 7th Congressional District, released the following statement after President Trump's State of the Union Address:

"Tonight we heard how America is thriving under President Donald Trump. Our economy is stronger than ever. Our borders are secure and we are working towards lasting peace in the Middle East. We are protecting Americans' constitutional right to bear arms and we are standing up for the unborn. I look forward to going to Washington, D.C. to work with President Trump to build on his successes on behalf of the people of Wisconsin."
