MILWAUKEE — Judge Jill Karofsky announced today she has earned the endorsement of former Supreme Court Justice Louis Butler in her race for the Wisconsin Supreme Court.

“Jill Karofsky has spent her career standing up for the rule of law and she knows what it takes to stand up to corruption and push against special interest influences, making her the voice we need on our Supreme Court,” said Justice Butler. “Jill’s vast experience and strong history of advocating for victims will serve her well. I know she will do right by the people of Wisconsin and I wholeheartedly endorse her campaign.”

“Justice Butler has always fought back against corruption and special interests in our courts, and he is a true giant in the legal community,” said Judge Karofsky. “It is an honor to have his trust and support in this race. Our message of fair and impartial justice is resonating across the state. It’s time for a change on our Supreme Court.”
