[Madison, WI] – Today, Supreme Court Justice Daniel Kelly announced his campaign raised more than \$187,000 during the first four weeks of the year, far outperforming his opponents. This latest fundraising report shows a continued momentum by Justice Kelly’s campaign fueled by immense statewide enthusiasm and support. Since the start of the campaign, Justice Kelly has raised nearly \$1 million, allowing him to build the strongest campaign in the race. Kelly’s campaign will head into the February primary with \$462,864 cash on hand — more than 5x that of his nearest opponent.

“I continue to be awe-inspired by the amount of energy and support we’re seeing from Wisconsinites who are passionate about our message of preserving the rule of law on our Supreme Court,” Justice Kelly said. “The people of Wisconsin are with us, and we are so grateful for the momentum they have given our campaign — momentum that will carry us through the primary on February 18 and then to victory on April 7th.”
