La Crosse, WI – Today, Vice President Joe Biden endorsed Ron Kind for re-election.

“In the years I’ve known Ron, he has proven himself to be a tireless advocate for Wisconsin families,” said Vice President Joe Biden. “Seeking out common ground is something that’s all too rare in Congress these days, but Ron values bipartisanship and is always willing to work across the aisle to get things done for his district. He knows the struggles workers, farmers, and families are facing and goes to bat for them – working to protect Social Security and Medicare, ensuring those with pre-existing conditions are covered, and fighting for family farmers. Ron brings the Wisconsin way of life to Washington, and I’m proud to support him.”

“I am grateful for the support of Vice President Joe Biden. As we emerge from the COVID-19 pandemic we must ensure that we have the tools to emerge stronger,” said Ron Kind. “There is a lot of work that needs to be done and I look forward to working with Biden to build a stronger Wisconsin and America.”
