President Donald Trump's visit to Doral today is a good opportunity to contrast his achievements for Hispanic Americans with Joe Biden's record of betraying our communities.

While President Trump [has delivered](#) record-breaking prosperity for Hispanic Americans and strongly [proclaimed](#) that America will never be a socialist or communist country, **Joe Biden has proven himself to be a puppet of the Castrochavistas who control the Democrat Party.**

- Biden has pledged to be “one of the most progressive presidents in American history.” Hispanics [know exactly](#) what “**progresista**” means—and we do not want that garbage ideology in America.
- Biden [refuses](#) to say whether he will do in America the same thing that Nicolás Maduro did in Venezuela and **[pack the Supreme Court with leftist justices.](#)**
- As a Senator, **Biden voted five times** to undermine the brave freedom fighters who were working to defeat Nicaraguan dictator Daniel Ortega and the Castro-backed Sandinista movement.
- In 1996, **Joe Biden [voted to eliminate Section 936 for Puerto Rico](#)**, which stripped it of its pharmaceutical industry, sent thousands of Puerto Rican jobs to China, and shattered the island's economy. Meanwhile, President Trump is making historic investments in *La Isla Del Encanto*.
- When Joe Biden met with Nicolás Maduro in 2015, **he [complimented the brutal Venezuelan dictator on his hair.](#)**
- Biden has been [endorsed](#) by **Colombian socialist Gustavo Petro**, a former

M-19 guerrilla member.

- Biden has [pledged](#) to return to the failed policy of showering Cuba's communist dictatorship with unilateral concessions. **President Trump stands with the people of Cuba, Nicaragua and Venezuela.**
- Biden could have stood up to socialism by pledging to excise the Neo-Marxist wing of his party. Instead, **Biden released a Unity Platform with socialist Sen. Bernie Sanders** who infamously [praised](#) Fidel Castro's indoctrination programs and [claims](#) on his Senate website that Venezuela is emblematic of the American Dream.
- Biden [named](#) socialist Rep. Alexandria Ocasio-Cortez as co-chair of his campaign's climate task force. When President Trump led an international coalition to stop Venezuelan dictator Nicolás Maduro's murderous regime, **Rep. Ocasio-Cortez refused to denounce the Venezuelan dictatorship.**
- Biden insulted millions of Hispanics when he [considered](#) **Castro-loving communist Rep. Karen Bass** as his running mate. Not even the fact that Bass was a leader of the [Venceremos Brigade](#), a radical Marxist group conceptualized by Cuba's intelligence agency, kept her off of Biden's VP shortlist.

Let's be clear: Biden's appeasement Castrochavistas like Sanders, Ocasio-Cortez, and Bass is an insult to millions of Hispanics and it should disqualify him from the presidency. The only reason why Biden gets a pass is because **our contemporary Walter Durantys** in the Fake News Media use their platforms to [normalize socialism](#) and hide the Democrat Party's extremism from the American people.

It is a sham that is no longer working. Hispanics know better, which is why Joe Biden and his culturally incompetent campaign are [struggling](#) with our communities while President Trump grows his diverse coalition. **We do not want Castrochavismo in our country.**
