The Milwaukee Fire Department (MFD) is pleased to announce the graduation of 43 fire recruits today! This has been quite the journey for them as they navigated their training while also navigating the safety precautions associated with COVID 19. We offer our most sincere congratulations and well wishes to the recruit class and welcome them into our MFD family as new probationary firefighters.

Because of COVID-19 precautions and the current health department guidelines, the normal time-honored recruit graduation ceremony will not take place on Wednesday evening and they will have a private ceremony instead.
