GLENDALE – Neal Plotkin, candidate for the Wisconsin State Senate, District 8, today announced the endorsement of his campaign by Wisconsin Governor Tony Evers:

Evers stated, “Neal Plotkin will work hard everyday and advocate for everyone living in his district. Neal will listen to what his constituents need and represent them well in Madison. I’m very pleased to endorse Neal for the 8th State Senate District.”

Plotkin stated, “I’m honored to have earned the trust and support of Governor Tony Evers. He himself has been a strong advocate for working people across Wisconsin and is doing all he can to address our public health crisis in the midst of Republican obstructionism. I’m running to bring a voice and a choice to everyone in the 8th District, and I look forward to working with the governor in the years to come.”
