Today, President Donald J. Federal funding is available to State, tribal, and eligible local governments and certain private nonprofit organizations for emergency protective measures, including direct Federal assistance, for all areas in the State of Wisconsin impacted by COVID-19.

Pete Gaynor, Administrator, Federal Emergency Management Agency (FEMA), Department of Homeland Security, named James K. Joseph as the Federal Coordinating Officer for Federal recovery operations in the affected areas.

Additional designations may be made at a later date if requested by the State and warranted by the results of further assessments.
