Due to growing concern over COVID-19, I understand that current circumstances will not allow for the continuation of our listening session calendar. I apologize for any inconvenience this may cause, but the health and safety of our families and loved ones is always priority number one. I'm still looking forward to hearing from you all and discussing the progress we have made and will continue to make in the 72nd Assembly District, and will be rescheduling the listening sessions for the near future.

Stay healthy and please don't hesitate to reach out to my office with any questions or concerns.
