MADISON- State Representative Timothy Ramthun (R-Campbellsport) issued the following statement announcing his run for Majority Caucus Vice-Chair:

“My focus in my first term in the Assembly was to listen and learn, to speak less, and to build trusting relationships with all my colleagues. Now, approaching my second term, I’m ready to be more active and outspoken, which is more the way I work because it gets things done.”

“As such, I aspire to serve as Majority Caucus Vice-Chair. My intent in doing so is to ensure the body as a whole has a voice and the direction our majority takes is from the consensus of that body. I will ensure active participation of all members, and will work to continue the efforts of consensus-building through enhanced relationships that are possible when given a chance.”
