MADISON- Representative Melissa Sargent (D-Madison) released the following statement commending Senator Mark Miller (D-Madison) on his retirement:

“Senator Mark Miller is the epitome of compassionate, fierce, and dedicated leadership. Today, with his announcement of retirement from the State Senate, the Wisconsin Legislature has truly lost a progressive champion and advocate. From fighting for clean water and environmental protections, to standing up for unions and working families, Mark’s accomplishments throughout his time here in the state legislature are invaluable and have paved a path forward for Wisconsinites.

In the 7 years that I have had the privilege to represent the 48th Assembly District, I have also had the honor to work with Mark as my Senator. His presence will be sorely missed here in the Capitol building, as well as by constituents across the 16th Senate District. I have no doubt that he will continue his leadership and service to our community in various other capacities, and I look forward to continuing to work together on these fronts.

Congratulations Senator Mark Miller on a well-deserved retirement, and thank you for your many years of devotion and passion for improving the lives of Wisconsin residents.”
