JANESVILLE, WISCONSIN—One year ago today, Bryan Steil was sworn into office as the representative for Wisconsin's First Congressional District. Below you will find a Year One Report highlighting Steil's work on behalf of the First District.

"2019 was a busy year. Whether through policy work or federal agency help, we successfully addressed the issues facing our community. USMCA passed the House and is one step closer to helping our dairy farmers. I supported critical funds to alleviate the crisis at our southern border and helped pass policy to deter spam robocalls. There is more work ahead in 2020: tackling our \$23 trillion debt, securing Social Security and Medicare, and lowering the costs of health care and prescription drugs. As always, if residents need help with a federal agency, please reach out to me via phone, email, or mail," **said Steil.**
