Madison, WI...Speaker Robin Vos (R-Rochester) released the following statement after the Assembly approved the Coronavirus Response Bill.

“I’m pleased with the near unanimous vote on the Coronavirus Response Bill. There was a collaborative effort in crafting the legislation, using input from Democrats, Republicans, workers, business owners, healthcare providers and constituents. The result was a bill that bolsters the state’s response to the public health emergency. This vote proves that our state can come together during these unprecedented times.”
