Madison...Speaker Robin Vos (R-Rochester) released the following statement after the Evers administration awarded \$75 million in transportation grants.

“Governor Evers is shortchanging our local roads. Legislative Republicans created this \$90 million program for local road repairs; the governor cut it by \$15 million and opened up the program to all types of projects.

“It’s disappointing that 100 percent of the money isn’t going to local roads as intended. Instead, millions of dollars are being diverted to bike paths and buses with fewer dollars available to help crumbling roads.”
