Madison...State Representative Robin Vos (R-Rochester) released the following statement after the candidate for UW System President, Jim Johnsen, withdrew his name from consideration.

“This is a disappointment. If leftist liberals on campus can’t decide on the UW System President, they become critics and drive out a qualified leader. We can’t let intimidation become the way we choose our campus leaders.

“I remain confident that the Board of Regents will find a leader with *strong business acumen*, who can guide the System through challenging fiscal times.”
