**Madison...**Speaker Robin Vos (R-Rochester) released the following statement regarding the Wisconsin School Choice Showcase, celebrating 30 years of school choice in Wisconsin.

“I would like to thank Secretary DeVos and Vice President Pence for travelling to Wisconsin to be part of this historic occasion. School Choice started with 7 schools and 300 students in Wisconsin. Three decades later, the program has grown to more than 40,000 students because more parents want to choose the best school for their children.

“I believe Wisconsin needs more and not less educational freedom. School choice produces results and should continue to grow in our state.”
