Washington, D.C. – Today **Susan B. Anthony List's Candidate Fund PAC** announced its endorsement of **Jessi Ebben** for U.S. House of Representatives in Wisconsin's 3rd Congressional District.

“Jessi Ebben is an eloquent advocate for life who embodies the authentic pro-life, pro-woman leadership our organization exists to promote. We are proud to endorse her,” said the **Honorable Marilyn Musgrave, SBA List's Vice President of Government Affairs**. “For too long the pro-life values of Wisconsin's 3rd District have been ignored by Congressman Ron Kind, who votes in lockstep with Nancy Pelosi's radical agenda of taxpayer-funded abortion on demand through birth, earning an 'F' on our [National Pro-Life Scorecard](#). Congressman Kind even refuses to protect babies born alive following failed abortions. Wisconsinites deserve better and we are excited for a strong, principled pro-life woman leader to take back this seat. Jessi Ebben won't be beholden to the abortion lobby, but will stand up for the Badger State and work diligently to protect the most vulnerable among us – born and unborn. Her voice will be a great asset in Congress.”

Jessi Ebben has spent most of her life in Wisconsin. After graduating from the University of Wisconsin-Eau Claire, she began a career in health care public relations. Jessi and her husband live in Eau Claire.
