(MADISON)—Today, Senator Tim Carpenter issued the following statement regarding his medical treatment following the events that occurred in Madison between June 23rd and June 24th:

“I would like to thank everyone who has sent flowers, cards, calls, emails, or left social media comments with their well-wishes. Your kind words of support are sincerely appreciated and mean a lot to me.

“After completing my successful surgery this morning at St. Francis Hospital, I am confident that I will make a full recovery.

“Most importantly, I have been staying up to date on all constituent matters and issues affecting the 3rd Senate District. I can’t wait to get back to the office to work on finding solutions to the critical issues that we are facing at this historic time in our state and country.

“Have a happy 4th of July weekend, and don’t be shooting off fireworks. Please, be safe!”
